

Cookie information sheet

About this Information Sheet

This Information Sheet explains what cookies are and how we use them, the types of cookies we use i.e, the information we collect using cookies and how that information is used, and how to control the cookie preferences. For further information on how we process, use and store your personal data, as well as how we keep it secure, see our [Privacy Notice](#). The Privacy Notice also contains more information about who we are and how you can contact us.

Your consent applies to the following domain: www.camco.energy.

What are cookies?

Cookies are small text files that are used to store small pieces of information. They are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make it more secure, provide better user experience, and understand how the website performs and to analyse what works and where it needs improvement.

How do we use cookies?

As most of the online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our website are mainly for understanding how the website performs, how you interact with our website, keeping our services secure, and all in all providing you with a better and improved user experience and help speed up your future interactions with our website.

What types of cookies do we use?

Essential: Some cookies are essential for you to be able to experience the full functionality of our site. They allow us to maintain user sessions and prevent any security threats. They do not collect or store any personal information.

Analytics: These cookies store information like the number of visitors to the website, the number of unique visitors, which pages of the website have been visited, the source of the visit,

etc. These data help us understand and analyse how well the website performs and where it needs improvement.

Functional: These are the cookies that help certain non-essential functionalities on our website. These functionalities include embedding content like videos or sharing content of the website on social media platforms.

The table below details the cookies used on our website:

COOKIE NAME	TYPE	DATA RETENTION PERIOD	DESCRIPTION
